CARTOON NOTES

Bubbles, Blossom, and Buttercup are coming to your house...on video! 2 New Powerpuff Girls Home Videos! In stores now! Get 'em before they're gone!

We conclude another thrilling issue of CARTOON NETWORK STARRING featuring the ever-popular Cow & Chicken and I.M. Weasel. We've got letters praising them and requests for other Cartoon Network characters, but the problem is that there are so many great characters on Cartoon Network that it's hard to choose which characters you want to see. So when you write in, you can not only praise us, but also let us know whom you would like to see. You never know, we might surprise you.

Dear "Cartoon Notes":

My whole family enjoys CARTOON NETWORK STARRING, especially when it stars Cow & Chicken. How about a guest appearance in your comic for Boneless Chicken? He's my favorite character on the Cartoon Network.

Boneless Chicken may make an appearance, but we're not going to say when; you'll have to keep reading to find out.

Dear "Cartoon Notes":

I was really happy to read Cow and Chicken stories. I chuckled as I read "Abusement Park." Cow had a very hard time controlling her udders on Hurl-A-Gig. Chicken's comments about milk turning into butter were very silly.

Chicken was fortunate Supercow came to his rescue on the nasty roller coaster ride, otherwise all Chicken would have been good for is feathers in a pillow. I was happy to see the coaster fall on the nasty Red [Guy].

I.M. Weasel in the "Komic Kon" story was funny. It was sad that Baboon destroyed the last copy of BROTHER BABOON. He would have been rich.

Jillian Mirenzi

Dear DC Comics:

I have noticed that you make CARTOON NETWORK comics now, so, I was wondering if you could make a Sailor Moon comic. It's one of the cartoons on Cartoon Network. If you did, it would be the best! Oh! I love your POWERPUFF GIRLS comic.

Sorry, Jillian, there aren't any plans for DC to do a Sailor Moon comic — but we're glad you like Powerpuff Girls.

next issue:

Our boy Bravo goes car shopping and winds up in a rocket-powered drag race in "Under My Wheels"; plus, Johnny makes a racket over a tennis pro who'd like to whack him clear to Wimbledon in "Love Match"! Written by Dwayne McDuffie, Frank Strom & Paul Kupperberg; art by Anthony Williams, Dave Schwartz, Dan Day, Phyllis Novin and Scott McRae; cover by Schwartz and Albrecht.

Other DC Kids' Titles:

Dexter's Laboratory #13: Dexter's a genius, but he can't tell a good joke — can science give him a funny bone? Plus, only Dee-Dee can stop the lab from blowing up in "Forget Me Not"! Written by Dave Roman and Brian Swenlin; art by Mike Stern, John Delaney and Jeff Albrecht; cover by Genndy Tartakovsky and Albrecht.

Looney Tunes #66: Daffy wants to be a Shakespearean superstar but blows it all to bits as "MacDuck"; Sylvester gets a gold medal for chasing Tweety; and Bugs tries to bug Elmer but makes history instead! Written by Terry LaBan, Barry Liebmann and Frank Strom; art by David Alvarez, John Costanza, Leo Batic, Mike DeCarlo; cover by Alvarez and DeCarlo.

Scooby-Doo #28: Even when the gang goes on vacation, they find a mystery! It's spooky summertime fun as Mystery Inc. finds jaguar-god ghosts in the South American jungle — and computer creepiness along the California coastline. Written by John Rozum and Bob Fingerman; art by Joe Staton, Dave Hunt and Bill Wray; cover by Joe Staton and Dave Hunt.

The Powerpuff Girls #5: Bubbles loses a baby tooth and can't wait to swap it for a quarter from the Tooth Fairy. But guess who'll stop at nothing to get it from her first. Go ahead, guess! Written by Jennifer Moore & Sean Carolan; art by Phil May; cover by May.
